

Halloween Show 2018

Hello! We are getting close to Halloween and the students are very excited about the routines they have been learning. Each year we let the students dress up in costume during the last class of October and perform their routine for parents, etc. Feel free to bring cameras, video equipment, or treats. The studio will provide a treat as well. Let us know if your child has food allergies, or if you prefer they do not receive treats and we will give them a sticker instead. You can put your child's costume on directly over their dance leotard, so they will be able to move in tumbling, if that is part of their class. This does not need to be a fancy costume! If you choose not to have your child wear a costume, I will tell their class that your child is dressed as a dancer (we have extra skirts, etc.).

Parents/guests do not need to stay for the whole class period. The pre-school dance combinations will perform a very short routine, about 15-20 minutes into their class and then they will finish with tumbling. The older classes will perform their routine 35 minutes into their class if they have tumbling. **If they do not have tumbling**, they will perform their routines 10 – 15 minutes before the end of the class hour. The two-year-old classes will just dance in their costumes – no routines until Christmas show.

These Halloween festivities will be held October 24th-30th. The festivities are for pre-competition and non-competition classes only. Tuesday 4:00 Acro class will have treats only. We will have class Wednesday, October 31st for those that would like to attend.
