Dress Rehearsal: Friday, May 31st at 7:15PM for Shows 2 & 3.

Come in full costume and makeup. **Report to the section of the auditorium that is labeled with your class day and time.** The finale is practiced first. The show will then be practiced in order. The show order is on the back of this handout. Have your child in the hall by the back stage door five numbers before they are to go on stage. Many of the older students' routines will not rehearse in this show, so it will run quickly. You are free to leave after your number has practiced. If you are late in the program, you may want to leave after the finale and return later. It takes about 4 minutes per number so you can calculate your wait time. **The Booster Club will be hosting a fundraiser during the rehearsal & Revue. Support the Booster Club by purchasing flowers, water, and snacks! Pizza will be sold at dress rehearsal.**

Pre-schoolers do not need a ticket if they sit on a lap. Just take them with you to the auditorium. **Numbers 1-8 report to the staging hallway 15 minutes before show time. All students Kindergarten and up must have a ticket to go to the auditorium.** If the student is to be in the auditorium, be sure they are back to the practice area in the hall 5 numbers prior to going on stage. If they are numbers 1-8, all will stay with the supervisor until they perform. All students are to be back stage 4 numbers before the finale. All students need to be picked up in the hallway after their routine, we do **NOT** supervise the lobby area, but an adult may stay there with the dancer while waiting for the finale.

FINALE: All non-competition and pre-comp classes should wear their costumes and ballet/jazz/tennis shoes for the finale. All students will report to the back hall 4 numbers before the end of the show to get in line for the finale. Check the chart on the door to see about where they are in the lineup. Toddler classes may participate in the finale, but will come forward to sit on the stage stairs from the audience. After the finale, Jan will dismiss the students and you will pick them up from the front of the stage.

DOORS IN AUDITORIUM THAT CAN BE USED: The rear center door is the only door anyone may enter or exit the auditorium. You can only enter or exit the auditorium between numbers, not during. Please be courteous to those around you and do not obstruct others' view. Please come early, it is difficult to find your seats for the first time once the show begins and it's dark. The side door of the auditorium is not to be used at all.
